Subject: Support for Zionsville Historic Preservation Commission

Good afternoon Amy!

Please forward this email to the Town Council members.

Town Council Members,

First off, Thank you for all the time and effort you've put into this Ordinance!

As a Zionsville resident of 40 years, I've watched the changes here in the Village - some very good and some not so much so.

I'm completely in favor of the proposed Historic Preservation Ordinance and encourage you to adopt this and get a Commission in place soon.

An interesting note- several years ago I used to receive postcards and letters from real estate buyers wanting to buy this home mainly because it has a larger than usual lot size. These buyers were most interested in purchasing and razing the home for a larger built house. This home is now a designated SullivanMunce Century Structure.

Thanks,

Rinkey Boleman
